

## REMARKS

Upon the careful review of recently issued U.S. Patent 6,942,566 B2, the above-listed typographical errors were noted. Patentee prepared this request for correction to the claims in order to correct these typographical errors. These mistakes are of a clerical nature and of minor character, and occurred in good faith. Thus, the correction of these mistakes does not constitute new matter and does not make necessary a reexamination of the patent. Further, the requested changes to the claims do not change the scope of Patentee's rights granted under this patent.

Since the mistakes appear to be the fault of the PTO, Patentee is hereby requesting the issuance of a Certificate of Correction pursuant to 37 CFR § 1.322.

Patentee respectfully solicits the granting of the requested Certificate of Correction.

If there are any questions, please telephone the undersigned.

Respectfully submitted,
